THIEVES ROB STORE.

J. W. Goods's Store Entered Saturday Night and About \$600 and Some Goods Stolen.

The grocery store conducted by James W. Goods at 1222 King street, was burglariously entered on Saturday night and the thieves got away with approximately \$600 in cash and a few cigars.

The money was taken from an old-fashioned iron safe, the key to which had been left in a drawer under the counter when the proprietor closed the place late Saturday night. Mr. Goods discovered the burglary about 8 o'clock yesterday morning, when he unlocked the front door and found the side door, which opens on Payne street, and is not generally used, standing slightly ajar. He at once notified his brother, Chief Goods, of the police force, who, with other members of the force, is conducting an investigation.

A man who had been employed at the store was called to appear at the station house to give evidence in order to see if any clue could be obtained by which the thieves could be identified. The man, who has some time with Mayor Haff and Chief Goods, but his honor upon leaving the conference room said nothing had developed by which the guilty parties could be identified.

After several witnesses had been examined and Mumford had repeated the statement made in the Police Court last week, Justice Caton dismissed Williams. Mumford claimed that Williams and another negro were engaged in the hold-up.

CASE SET FOR FEBRUARY 1.

Jury to be Secured From Lynchburg to Try Lewis Hooff For Embezzlement.

The case of Lewis Hooff, charged with embezzlement of funds of Mercantile Railway Building and Loan Association, came up in the Corporation Court this morning. On motion of his counsel, it was decided to summon a jury from another city to try the case of the former secretary and general manager of the defunct company. The City Sergeant Cox was directed to proceed to Lynchburg on Thursday and summon a venire from that city. Hooff renewed his bond for his appearance on Thursday, February 1st, on which day the trial of the case will begin.

On Wednesday arguments will be made in the Corporation Court on behalf of the state by Commonwealth's Attorney S. G. Brent for the transfer of C. Jones Rixey, the indicted head of the defunct Virginia Safe Deposit and Trust Corporation, from the hospital at Staunton, to the asylum for the Criminal Insane at Marion. This will be resisted by Rixey's counsel.

BASKET BALL NOTES.

The Cardinal Reserves had on trouble to defeat The U. S. Patent Office quint in the exhibition basket ball game played in Armory Hall Saturday night. The home lads played the visitors off their feet and won by the following score: Cardinals 50; Patent Office, 10. The Reserves are playing grand basket ball, and in the game won from the Epiphany quint last Thursday evening established a new record by making 56 points; which is the highest number of points earned by any team in the Capital City League. The reserves have a good chance to win the championship cup, as they only have three games to play in Washington and three games at home, with an excellent chance of capturing the majority of the contests; if they succeed in splitting even with the other teams, the prizes will come to Alexandria—for the first time in any League championship contest.

The Cardinal Regulars will leave on the 6:45 p. m. electric train tomorrow (Tuesday, January 23) to tackle the strong Carroll Institute Basketball team. This is the first time these teams have met, and being a regular League game, which means much to each team to win, the Alexandria boys are sure to capture it. A large number of their friends will accompany them, on this occasion, and Alexandria "will be heard from" when the Regulars make good in shooting goals and performing any tricks that will baffle the Carrolls.
